Greetings Scholarship Recipient,

The Wanda Joyce Robinson Scholarship Committee is pleased to announce that we are now offering a scholarship renewal. After reviewing the excellent recipients we have awarded in the past two years, we have decided to grant you the opportunity to apply for more post-secondary education funding from our organization. The initial application you completed provided us with information about the challenges you faced and resilience you've shown prior to enrolling in an institution of higher education. Now, we want to know more about what you've experienced since our last encounter with you. Please review the information below regarding qualifications for a scholarship renewal.

Your scholarship is eligible to be renewed if you can meet and complete the following criteria:

- 1) Provide an unofficial transcript which should include a list of courses you've completed, your semester grades for each course, and your cumulative GPA.
- 2) Provide proof of enrollment for your institution of higher education.
- 3) Submit a two page paper explaining the obstacles and challenges you have overcome during your time at your institution of higher education. Have these obstacles affected your educational success? If so, please explain how.

Your essay must be typed, Times New Roman, 12-point font, and double spaced with standard margins. Here at WJRF, we do believe in second chances and are excited about assisting you in continuing your education. We trust that you have grown tremendously in both character and maturity since our initial contact with you. The essay must be a minimum of, but is not limited to, two pages. Please utilize this essay as an opportunity to tell us as much about yourself as you can.

All documentation should be submitted on or before Monday, **June 06, 2022**. Once you have everything completed, please submit all documentation to the address below **and/or** email copies of the paperwork to info@wjrfoundation.org.
